

When it snows, when it snows, when it snows

It is that time of year again. As we head into the winter season here are the guidelines for Bluegrass Dance Center and snow cancellations, delays, etc. Just because school is canceled – that does not automatically mean dance is canceled! We only post if we are closed....if you don't see a posting or hear a voice message or receive an email....we are open for dance.

Please note – it is possible that we begin a session and need to cancel if the weather dictates. We will attempt to make the best choice possible with the information at hand.
