This is Week #2 of the December Tuition Cycle

Bluegrass Dance Center / 859-625-9393 / www.bluegrassdancecenter.com

Dear Families,

The responses about this year's recital theme, music and costumes have been wonderful! As always it is a joy to see the dancer's faces light up when viewing their costumes. As we head into the second half of the dance year teacher's will begin working on recital choreography.

Please take a moment to complete the recital participation permission slip. Remember, recital participation is optional. If the start of the dance year is any indication - we're heading into a fabulous recital season!

Best wishes for a relaxing and safe Christmas Season!

Merry Christmas,

Renee Brice
